Lesson 7 Homework

Name ____________________________ Date __________________

Whisper the fraction of the shape that is shaded. Then match the shape to the amount that is not shaded.

1. \[ \text{\textbullet \ 9 tenths} \]
2. \[ \text{\textbullet \ 4 fifths} \]
3. \[ \text{\textbullet \ 10 elevenths} \]
4. \[ \text{\textbullet \ 5 sixths} \]
5. \[ \text{\textbullet \ 1 half} \]
6. \[ \text{\textbullet \ 2 thirds} \]
7. \[ \text{\textbullet \ 3 fourths} \]
9. Each strip represents 1 whole. Write a fraction to label the shaded and un-shaded parts.

10. Carla finished 1 fourth of her homework on Saturday. What fraction of her homework has she not finished? Draw and explain.
